We have become aware at our house, how much of a change one new dog can bring into our life. It certainly impacts our daily routine and demands constant attention.

New years come and go, for some too quickly, for others not quickly enough. 2020 like a new dog has demanded our immediate and constant attention. The Corona virus has become a familiar and ugly part of our vocabulary. Unlike our new dog the virus came uninvited. Some in our church family have lost loved ones and some are affected in other ways. Lifestyles, routines and freedoms are impacted.

With constant attention and hard work our Church School which had to begin distance learning in the spring, was able to reopen in person this fall.

Our district churches are allowed to meet under limited conditions.

Most of the comments we have heard about 2020 have been negative. However even in the most trying times, which we have not experienced yet, God has never let His children down. Jesus said He is WITH US, even to the end of the world. This promise includes us and it includes 2021.

Even though each new year is unknown to us, it is totally known to our heavenly Father. He will walk us safely through it. It is certainly reassuring to know He is always there to hold our hand.

God's blessings to you in the New Year,

Pastor Jim & Melody

Giving

We understand that many of you are sheltering at home and avoiding going out among people during the virus situation. Several people have requested "Tithe and Offering" envelopes be sent to them. Anyone who would like some envelopes mailed to them can call the Church office, 548-882-2466, or email kfsdachurch@yahoo.com. We will be happy get some to you.

New Church Messaging System

I hope you are getting familiar with the process of our new messaging service, CallMultiplier.

Please note an important number. If you miss a call for any reason, you can call 877-333-9336 to hear the last message sent to your number.

If you ever have any questions please don't hesitate to call Marilee at the church office.

School News

Happy New Year, Church Family,

We've made it through a unique year and this coming year looks to provide much to think and pray about, as well.

I have recently been informed that our church has donated enough money toward our playground project to defray much of the cost! This is exceptional - for money to come in after a project has been completed. As a board we discussed and wondered how fund raising would go after the event, and you have championed the cause with labor and money. Thank you so much.

You should also know that we now have two more students—Wyat, age 5 and brother Klayton, age 7. Welcome, Harris brothers! This brings us to 9 students. We have room for one more!

I praise our church family and God for all the blessings that come our way.

Happy New Year!

Sincerely,

Melody Osborne
