Hi Folks

What a ride! These last nine months have seen a lot of political conflict combined with a pandemic, restrictions, accusations and suspicions.

Jesus told us that in this world we will have trouble. When He joined the human family as a baby, people's lives were also in turmoil. In fact it has been like this ever since Adam and Eve allowed Satan to take over their dominion.

Just before Jesus comes back to our world the second time, we know we will face some increasingly tough times. We in this country have not only been blessed with freedom, both civil and religious, but compared with many others in the world we have been spoiled.

We have just celebrated a day of Thanksgiving. Let us be continually thankful for freedoms we still enjoy, and as much of the Christian world celebrates the birth of Jesus we can be thankful He didn't remain a baby, but is now in the heavenly sanctuary, bringing to an end what we have come to understand as "The Great Controversy". As we experience increasing trouble in our world, we can take heart in Jesus' words.

"These things I have spoken to you, that in Me you may have peace. In the world you will have tribulation; but be of good cheer, I have overcome the world." John 16:33

"He who testifies of these things says 'Surely I am coming quickly.' Amen. Even so, come, Lord Jesus." Revelation 22:20

Wishing you God's peace,

Pastor Jim & Melody

Merry Christmas

Welcome New Member

We were happy to welcome Bella McNair into membership following her baptism on November 14!

Blessings to you, Bella, in your journey with our Lord and Savior! We are very happy for you!

New Church Messaging System

We have had to replace our PhoneTree messaging system because it crashed! We felt we got good value from it for over 17 1/2 years of use!

CallMultiplier is the new system we are using. We have already sent out several messages using this calling program. I hope you are getting familiar with the different process.

Please note an important number. If you miss the call for any reason, you can call 877-333-9336 to hear the last message to your number.

If you ever have any questions please don't hesitate to call the church office or Marilee.

Church Board Meeting

Items of discussion and action at the November Church Board Meeting included:

- Decisions on closure as per governor's mandate
- Voted to purchase new phone messaging system
- Sump pump repairs
- School update

The next Church Board Meeting will be Monday, December 21, at 6:30 p.m.

Help Needed

Our Audio/Visual department is looking for help. Ken and Judy Mulford and I have been manning the department which has expanded to include live streaming. So now, what was once a one-to-two-person job has become a two-to-three-person responsibility. Not that one person can't do it all, just not with the attention the duty deserves. Plus, if we are streaming from Bonanza, it definitely takes two. Then if anyone is sick or out of town, well, you get the idea. So, if you are looking to answer a call to serve God and His congregation, join us with your skill or learn with us a new one. Send us an email at soundcrew1735@gmail.com or give me a call or send a text to 541-281-3388. Jerry Bowers
